

Introduction to Spotting

To be held at LDCT's On-Site Training Facility
Located at
26a Pendlebury Road Cardiff 2285

Sunday 1st July 2018
9:00am – 3:00pm

This workshop is designed for people new to the industry or those wishing to increase their underpinning knowledge and language of basic spotting techniques and understanding of spotting chemicals available to Dry Cleaners

During this workshop we will cover:

- Identifying soils and stains
- Basic understanding of chemical use and chemical safety
- Introduction to spotting chemicals
- Spotting chemical relationship to fibres and fabrics

Upon completion of this workshop you will gain a Statement of Attainment for the Nationally Recognised Unit of Competency

- MSTDC2003 Identify Pre and Post Spotting Requirements

Course Fee \$395
All resources and Certification included
Tax Deductible
Morning, afternoon tea and lunch will be provided
Registration close on the 25th June 2018
